The McCormick

No. 4 Steel Mower

It's an ideal machine. There are more good ideas about its construction than can be found in any other mower. Probably that's why its sales are so enormous. It has the best foothold to be found on any mower; is fitted with the McCormick cold rolled finger bar, and will stand the severest tests possible to a grain-cutter. Guaranteed to work where other mowers fail.

It's a light draft mower, and it's durable. It's an easy winner of field trials. It's a really valuable mower in more ways than can be enumerated here—and it costs but little more than a "cheap" machine.

The Illustrated McCormick Catalogue shows the special merits of this mower. We furnish it—do our agents.

THURSDAY, JUNE 8, 1893.

There appears to be a misunderstanding among farmers as to their right to keep cattle or horses that stray on their lands. It is frequently to the advantage of owners to have their stock kept in this way and sufficient notice given, but it would appear from the reading of the Ordinance that the safer plan is, where these strays are outside of herd districts, not to interfere with them, and when inside of such districts to impound them in the regular way. For the benefit of farmers who have not seen the "Ordinance for driving off horses and cattle," we give it below.

"Any person who takes, rides or drives off any horse or mule belonging to another without the owner's consent, or who, when bringing his own animal from the prairie, takes or drives off the horse or mule of any other person grazing with his own, or who wilfully or negligently causes or allows horses mules or cattle of other parties to be driven with his herd more than five miles from their grazing places, shall, upon a conviction thereof before a Justice of the Peace, be liable to a fine of not exceeding one hundred dollars and costs of prosecution, and in default of payment to be imprisoned for a term not exceeding three months; provided that if the owner of any animal, in bringing it from the prairie, finds it necessary to drive other animals a greater distance than five miles before he can separate his own animal from among them, he shall not be liable to the penalties imposed by this Ordinance, if he at once drives back such animals to the place from which he drove them."

"Nothing in this Ordinance shall prevent the owner of any animal taken, ridden or driven off, as aforesaid, bringing a civil action for damages in addition to any penalty imposed under this Ordinance."

OUR SENATOR INVITED TO THE LIBERAL MEETING.

Below is a copy of an invitation received by Senator Perley to attend the meeting of Liberals at Moosomin on June 2nd and the Senator's reply, which will be of interest to all who take an active part in political matters in East Assiniboia.

Grand Liberal Rally.

Hon. Senator W. D. Perley.

Dear Sir,—You are respectfully invited to attend a meeting of the Liberals of East Assiniboia and those in sympathy with the Reform movement, to be held in the Orange Hall, Moosomin, on Saturday afternoon, the third day of June, at the hour of three o'clock, for the purpose of an immediate and complete re-organization of the Reform party in this Riding, to perfect the same, elect officers and transact such other business as may be deemed necessary. Your presence on this occasion is earnestly requested.

Yours truly,

These Pills are manufactured by the Dr. Williams' Medicine Company, of Brooklyn, Ont., and Cincinnati, N. Y., and are sold only in boxes bearing the firm's trade mark (printed in red ink) and wrapper, at 50 cents a box, or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to deceive you. Beware of cheap imitations. The public are also cautioned against all other so-called blood builders and nerve tonics, no matter what name can be given them. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills are sold by Dr. Williams' Pink Pills for Pale People and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of

Williams' Medicine Company from either Alabama. The price at which these pills are sold makes a course of treatment comparatively inexpensive, and with other remedies a medical treatment.

Storekeeper—"You won't suit me if you're not married." Young man—"Why do you prefer your clerks to be married?" Storekeeper—"Because I find the married ones are never in such a rush to close up at night, and leave me like the single ones are."

It's sometimes said patent medicines are for the ignorant. The doctors foster this idea. "The people," we're told, "are mostly ignorant when it comes to medical science. So they are, but that doesn't mean they need no knowledge, but a cure, and the medicine that *cures* is the medicine for the sick. Dr. Pierce's Golden Medical Discovery cures the "do believes" and the "don't believes." There's no hesitance about it. So the doctors want it. It says—"I can cure you, only do as I direct." Perhaps it fails occasionally. The makers hear of it when it does, because they never keep the money when the medicine fails. It's a lie. So the doctors want it as a principle. (We beg the doctors' pardon. It wouldn't do.)

—There was a meeting of the Municipal Council on Monday last, also a sitting of the Court of Revision. The minutes will appear in a later issue.

—Miss Jagger left on the stage yesterday morning for Fort Qu'Appelle, the increasing number of music pupils at that place making it necessary for her to reside there.

—George Davidson, son of our M.L.A., has received the position of night operator at Indian Head, and left town on Saturday last to assume the duties. This is his first situation and his friends wish him every success.

—At the district meeting of the Methodist Church held in town last week it was decided to make the Davin Mission a part of the Pilot Butte Circuit, and McLean has been added to Qu'Appelle Circuit. This change takes effect from the 1st July.

Mr. Sikes, Government telegraph repairer, has arrived from Humboldt and will remain here a few days to assist in putting in the new poles on the line through town. Mr. Sikes was for many years stationed at Battleford. He will in future reside at Moose Jaw.

—Mr. Ed. Smith met with an accident on Friday last, while holding a horse for Mr. Brox. The animal became frightened, and rearing up threw Mr. Smith violently against the sidewalk, his head coming in contact with the planks. He fortunately escaped with no more serious results than a slight cut over his eye and a few bruises.

—The Winnipeg Industrial Exhibition is to be open from July 17th to 22nd, and judging from the prize list and programme of attractions, there will be a display well worth going to Winnipeg to see. Prizes to the amount of \$15,000 are offered for competition. Special railway rates are arranged for the benefit of those visiting from the surrounding country, the return fare from Qu'Appelle being \$7.85.

—Early on Monday morning there was an unusual bustle in town in consequence of it being whispered around that a pleasant event was to take place in the Roman Catholic Church. Shortly before nine o'clock a number of teams drove in from Strathearn to the church, when Miss M. Bertha Longue and Mr. Emile Tourigny, of Wolseley, were united in marriage by Rev. Father Rye. The happy couple left on Tuesday for their new home at Wolseley.

—The first meeting of the season of S. Peter's Women's Guild was held at the Vicarage on Thursday, the 1st inst. The Secretary-Treasurer's report was read and accepted, and last year's officers were re-elected, viz. Mrs. F. Osler, president; Mrs. Talbot, vice-president; and Mrs. Akhurst, secretary-treasurer. The Guild will meet regularly on Thursday afternoons at 2.30, the meeting to-day being at Mrs. Osler's, and will be glad to receive orders for all kinds of plain and fancy sewing, knitting, etc.

—On the arrival of Conductor Brown's special freight train from the east on Tuesday morning, Staff-Sergeant Fyfe arrested a man who gave his name as Wm. Dunsmore on a charge of breaking into and stealing a ride on car 22256. Mr. Hartley Gishorne, J.P., being in attendance, the accused was brought before him, and pleaded guilty to stealing the ride. He was then remanded for further investigation, and while being removed to the lock up effected his escape, and made a break for the nearest bluff on the south side of the track. Sergeant Fyfe started in pursuit discharging his revolver as he ran, and finally brought his man to bay and conveyed him safely and in triumph to the cooler. The affair created quite a ripple of excitement in our usually quiet town. Prisoner was afterwards brought before Messrs. J. H. Borce and H. Gishorne, J.P.'s, and sentenced to two weeks' hard labor in Regina jail.

DR. PRICE'S Cream Baking Powder.

The only Pure Cream of Tartar Powder.—No Ammonia; No Alum. Used in Millions of Homes—40 Years the Standard.

—Edwin Booth, the great actor, is dead.

—Mr. I. R. Brigham, of Moosemin, was in town on Wednesday.

—Mr. Chief Justice Strong and Hon. Senator Carling were the only Canadians knighted on the 24th of May.

—The North-West Mounted Police Athletic Sports will be held at the barracks, Regina, on July 1st. A good programme is provided.

—It is now currently reported that Hugh John McDonald, M.P., for Winnipeg, is likely to be appointed Lieutenant-Governor of Manitoba.

—Our sidewalks are now in better condition. Mr. Needham has had the work of putting in the new planks at various places where repairs were necessary.

—The new Masonic Lodge at Moosemin was dedicated on Tuesday night. Grand Master Goggin, Messrs. Haultain, Tweed and Neff, took part in the ceremony.

—The Nuisance Inspector has given those citizens who have deferred cleaning up their premises a final warning, and will now commence to prosecute all delinquents.

—It is understood that the Rev. B. Barton, lately in Saskatchewan diocese, has accepted work in this diocese under the Rev. W. Nicoll, of Medicine Hat. Mr. Barton was for some time at St. John's College, Qu'Appelle.

—The following have been appointed to be Justices of the Peace:—Alfred Gummel, of Morinville, Alberta; George Evans, of Yorkton, Assa; Thomas MacNutt, of Sidscoats, Assa, has been appointed to be coroner.

—On Monday, the *Manitoba Free Press* came to hand in an extra clean dress. As a newspaper it is acknowledged to be amongst the first in Canada, and now its neatly printed and more readable pages will be still more appreciated.

—There does not appear to be any good reason why an inoffensive farmer should be fined one dollar and costs for fast driving on our streets, while the much greater offense of breaking branches to ride is of almost daily occurrence on our streets, and no notice taken of it.

—Mr. Hartley Gishorne, being desirous of ascertaining the correct name for the wild flowers commonly called "wild crocuses," forwarded some specimens to the Chief Government Botanist at Ottawa, and received answer that they are known in the botanical world as *Anemones* or *Pasque flowers*—*Anemone Patens*, variety *Nuttalliana*.

—Owing to the change in the C.P.R. time-table the mail from the east now arrives on Wednesday evening instead of in the morning, and makes it inconvenient for us to publish matter coming on that train as we go to press the same evening. We would ask our correspondents to be kind enough to send all communications on Tuesday hereafter.

—Mr. School Inspector Gillies paid our school an official visit on Monday last, and to those who had the pleasure of calling on him he expressed the opinion that everything was in good shape and the school in a prosperous condition. This is the first time our school has been inspected by Mr. Gillies, and the impression he has made on both the pupils and the citizens generally is, to say the least, most favorable.

—The people of Indian Head have decided on a big day the first of July, and have posters out announcing the character of the celebration, which is to consist of horse races, athletic sports, etc. \$500 are given away in prizes, and the fact that Indian Head is now enjoying the reputation of being one of the most substantial towns of the Territories, together with the enterprise shown by its citizens in events of this kind in the past, is sufficient guarantee to all who go there on Dominion day of a good time.

—The Leon W. Washburn circus and menagerie is on its travels and will visit Qu'Appelle, Monday, June 19th. All the bill boards, dead walls and old barns are plastered with red and yellow posters, emblazoned with the figures of creatures from every clime. Undoubtedly in popular estimation, the chief attraction of Mr. Washburn's menagerie lies in "Cupid," the little baby elephant, who is only three feet high, three months old, and weighs two hundred pounds. Cupid is the most gentle and tinnest of elephants, and is never so pleased as when a crowd gathers around

him, when he at once begins poking his trunk in all directions for dainties. The visitors give him cakes, candy, apples and fruit, at an average of two bushels a day, and he can digest anything but nails and quids of tobacco, of the latter of which he is very wary. As a staple food, he eats hay, potatoes and bran. He has a constant attendant and keeper in Don Melville, who has been with him since birth. There is also a special groom for his quarters. Altogether he has a pretty good time. He is certainly a great feature, far ahead of any that has heretofore appeared in this city, and Mr. Washburn may well feel proud of so valuable an addition to his already extensive menagerie.

—Miss Elliott, of Regina, passed through town on Tuesday, on her way to Strathearn to be present at the marriage of her cousin, Miss Elliott, to Mr. P. McNaughton.

—The annual meeting of the South Qu'Appelle Central Liberal-Conservative Association was held in the Court House, on Tuesday, when delegates representing Qu'Appelle and Indian Head were present. Discussion took place on various matters pertaining to the Central Association, and the election of officers, which was by nomination instead of by ballot, resulted as follows:—President, J. H. MacCaul; vice-president, W. R. Boyd; secretary-treasurer, A. D. Dickson. A vote of thanks was tendered Mr. A. W. Sherwood for his services in the past as secretary. The report of the treasurer was read and confirmed. It was decided that the next annual meeting be held at Indian Head on the first Tuesday in June, 1894.

—A meeting for the purpose of re-organizing the brass band was held in the school house on Thursday evening last. There was a good attendance of those interested, and Mr. S. H. Caswell was voted to the chair, and Mr. H. Jagger was appointed secretary of the meeting. The names of those willing to take instruments were called for and twenty-one responded, after which committees were appointed:—1, to canvass for subscriptions and arrange financial matters—Messrs. Love and Johnston; 2, to prosecute enquiries in regard to engaging a leader—Messrs. Jagger and Bell; 3, to allot the instruments—Messrs. Beauchamp, Bell and Caswell. The following were appointed the executive:—President, S. H. Caswell; treasurer, J. P. Beauchamp; secretary, H. Jagger; committee, R. Johnston, J. Love, and J. A. Cowan. It was arranged to meet for practice on Monday and Thursday evenings at 8.30, and that pending arrangements about a leader, Messrs. Johnston, Beauchamp and Bell should take charge of the practices.

MARRIAGE.
Tennyson—Loveless—On the 5th inst., at Qu'Appelle, by the Rev. Father Rye, assisted by the Rev. Father Gillies, Mr. Emile Tourigny, of Wolseley, to Miss M. Bertha Longue, of Qu'Appelle.

DEATH.
Hiza—On May 29th, at the Vicarage, St. Martin-in-the-Fields, Charing Cross, London, England, Mabel Mary, beloved wife of Edwin Howard Hiza, of Victoria, B.C., wife of Qu'Appelle, and eldest daughter of the Rev. John F. Rye, in her 26th year.

SUNNY SOUTH.
Rev. H. S. Akhurst held service in St. Chad's on Sunday, and preached an eloquent sermon to a large number of people.

At the vestry meeting held after service, Mr. Percy Gerald and Mr. Stewart were elected churchwardens. Mr. Gerald was also elected lay delegate to the synod.

Rev. D. Gillies, Inspector, visited and examined the school, and found the general tone very good.

There is talk of the Patrons of Industry holding a picnic on the 22nd. We await a good time.

THE SERVICES OF THE LATE MR. F. N. GISHORNE.

The following is a copy of a resolution passed by Section III. of the Royal Society at a meeting held on the 23rd of May, which acknowledges the valuable services which the late Mr. F. N. Gishorne rendered to the society:—

On motion of the President, Professor Chapman, it was unanimously resolved that the members of the section also regret the loss of an esteemed friend and co-worker, and desire to express their sympathy with the widow and relatives of their late associate in the great loss they have sustained.

MOOSOMIN.

The Grand Liberal Rally, which was held here on June 3rd, was not very largely attended.

Mr. B. Tennyson returned on Sunday from Victoria, B.C., where he has been visiting for the past month.
